

Tusk Engineers Limited

Bilateral Meetings

- Monday (02.30 pm - 04.30 pm)
- Tuesday (10.45 am - 01.45 pm)
- Tuesday (02.30 pm - 04.30 pm)

Description

Consultants and Engineers in Renewable Energy. Registered in Uganda in 2005 Tusk Engineers has been actively involved in renewable Energy activities that include - Research and Development, Design and Construction, capacity building and network development. As a member of Uganda National Biogas Alliance and Hydropower Association of Uganda we have gone an extra mile in understanding the challenges and identifying solutions in the RE sector in Uganda, East Africa and Africa. We advocate for RE solutions in climate change mitigation. We have partnered with reputable international and national organisations in running awareness campaigns on effects and solutions of environmental degradation. We run a network of marketing agents trained to provide promotion, service and maintenance plus aftersales services.
